

THE JETWASH TERMINAL PUPINOX WALL-MOUNTED

Our jet wash range has been designed and manufactured to withstand the water splashes, dust, and chemicals found in car wash stations. Finished in bead-blasted INOX 316L, they guarantee long life and resistance in high-pressure environments. The wall-mounted version of PUPINOX combines ease of operation, thanks to its illuminated buttons, with the possibility of adding many options available in our catalog.
